

## Equivalent Weights Chart

The tables below provide selected equivalents (in pounds) for a ream of paper of a given type and basis weight, with metric equivalents also provided. With these tables you can quickly look up the equivalent weights (and grams per square meter) for the following kinds of paper:

- Book
- Bond
- Cover
- Vellum Bristol
- Index
- Tag

The paper types are listed across the top of each table; the relevant basis weights for any given paper type are indicated in boldface.

For your convenience, this chart (along with many other paper calculators) is also available for viewing online at our website: [www.casepaper.com](http://www.casepaper.com).
